

Preserving and maintaining the grounds of our cemetery is our primary objective. The staff and management work hard every day to keep Sunset Memorial Gardens the best groomed and maintained cemetery in the region.

We are asking for your help to reduce the debt of our earthen Berm and Water Mitigation System. This project had a total cost of nearly \$500,000 but we still have a debt of \$300,000. We ask that you consider making a Tax-Deductible Charitable Donation to Sunset Memorial Gardens Berm Project 501(c)(13). This past year with help of your donations we were able to reduce the debt by \$25,000. We want to thank everyone who has contributed, no matter the amount. Thank you for your help.

Please help us eliminate the debt and keep Sunset Memorial Gardens the beautiful cemetery our loved ones deserve.
